Office furniture

Presentation is crucial in today's competitive business world. A Boardroom or Conference Table is the focal point of a meeting room and often a symbol of status and power. It's where deals are made and contracts signed with lasting impressions.

Boardroom Tables are often seen as static units, placed once for a sole purpose and rarely moved or reconfigured. Conference furniture on the other hand is more adaptable to its requirements. Configurations from presentations to group activities, from meetings to education, the options are endless. Storing is made easy with Stacking, Tilting or Folding tables. Create a

third dimension to these spaces by adding exclusive Storage for any eventuality. Let Reunion assist in providing you with a professional, sophisticated and corporate company image incorporating contemporary design elements with modern materials and finishes.

**A 2D and 3D CAD planning facility is available free of charge. Please ask for details.**

## reunion explained

Reunion is broken down into the following categories: Boardroom, Conference, Storage, Screens and Accessories.

### **Boardroom:**

A variety of table top shapes are available. Select your required table top. Then choose from four under frame options comprising of Effex (silver finish), Classic Solo (two tone finish of silver & black), Tulip (silver finish) and Panel End. Glass inserts are available as an optional extra. Finally, choose the table top board finish. This provides the freedom to configure & personalise your own bespoke table.

### **Conference:**

Choose from a full range of table top shapes. Then select from three under frame options (all with silver finish) comprising of Stacking, Tilting and Folding. Finally, choose the table top board finish.

### **Storage:**

Unique selections of units are available ranging from Tall Wall Units to Shallow Credenza Units. Mobile Audio to lecterns complete the range. Select an optional lighting accessory to enhance the units' appearance.

### **Screens:**

Three options of floor standing Mobile screens are available: A fully upholstered Fabric screen, a screen with a Dry Wipe board top section and a screen with a frosted Acrylic top section. Just remove the castors should you wish to make the screens static. A full range of Lucia fabric colours are available.

### **Accessories:**

A full range of accessories are available. Select from cable management, lighting and Power supply options to a classic mini bar fridge for the credenza storage units.

### **Specifications:**

All products are manufactured using 18 and 25mm thick MFC. All tops including tables and storage units incorporate 2mm PVC Heavy Duty edging tape.

### **Finishes:**

Board finishes are: Walnut, Cherry, Canadian Maple, White, Silver, Oak, Calva Oak, Beech, Grey, Japanese Ash, Apple and Santiago Cherry.

### **Packaging:**

Storage units are supplied assembled. For transport purposes only we have removed the storage feet and secured them inside the storage units. These feet need to be fitted on location.

Boardroom & Conference Tables are supplied flat packed for assembly on site. Tops are packaged separately from the steel under frame components. Tops are shrink-wrapped and edge/ corner protected. Metal Under Frame components are individually boxed or PVC bagged (where applicable) and labelled for safe and convenient handling and storage.

Accessories are either boxed or PVC bagged.

**Please follow the relevant steps when ordering to avoid errors. See example below:**

Select top. Choose whether you want the table top to have a Glass insert (add £200.00 per glass section - Boardroom only). Select an Under Frame option. Finally choose your Board Finish.

**Product Code:** UBE42-G-A-SC

UBE42 = relates to table top shape and size  
G = refers to Glass Insert Option (frosted glass)  
A = refers to Under Frame Option (effex )  
SC = refers to Board Finish (Santiago Cherry)
